Special Bird Seed Delivery for EMAS Audubon Members

We would like to introduce a special service for members of EMAS. This would be to supply bird seed to members who feed birds on a monthly basis. This will help everyone save fuel.

Every third Tuesday of the month, at the EMAS general meeting, one of us will be delivering fresh bags of bird seed from the store to the meeting place at the Asheville Botanical Gardens. All you have to do is to let us know in advance what seed you would like and how many bags of each. You can either bring a check, cash (exact change please) or give us a credit card number. Either call us at 828.687.9433 or e-mail us at ashevillewbu@charter.net

The following varieties are available in 20lb bags
