****March 2011**

Dear Churches of Jackson County,

Thank you for your participation in the rotation for bringing inspiration and devotion, and even more your loving caring presence to our nursing home residents of Jackson County. Please remember the Nursing Home Residents at each facility look forward every Sunday to your Church coming to share with them. The residents will most likely be anticipating your presentation every Sunday. Please support them by not leaving residents waiting with no one to lead the service. **If your church is not able to be present on the designated Sunday, then please arrange with another church on the schedule to switch with you. If you make a change or cannot make other arrangements, it is so important as a courtesy to contact the activity coordinators at each facility:**

Mountain Trace Nursing Center	- Claudia King	- 631-1633
Skyland Care Center	- Judy Brooks	- 586-8935
Morning Star Assisted Living	- Tammy Brooks	- 586-4002
The Hermitage	- Tina Willyard	- 586-9070

Note that the Sundays that fall on special days have no service scheduled. **If your church would like to do something on those holidays, please coordinate that with the activity directors listed above.** The nursing facilities are always looking for special inspirational times for their residents. There are many ways you can bring devotion to our residents on Sunday afternoons: church choir, your youth or children's choir, a Sunday school class, bring your church play, most any musical presentation is very much enjoyed. Be creative and contact the activity directors for ideas and support.

If you have other concerns anytime, please contact Ron Allen, Chaplain at MedWest – Harris Regional Hospital at 586-7145 and leave a voice mail. Please know I only make the schedule as best I can and deliver it to those who wish to participate. I urge you to do the best you can with the schedule and you may encourage neighboring churches who are not participating to join you next year in this special ministry of caring. *I welcome your suggestions.*

The staff appreciates your group to come a few minutes early and if needed to help them bring residents to the service. Please see a member of the staff for instruction on this matter. Many residents are in wheeled chairs and need assistance. Your help is appreciated in returning the residents to their rooms after the gathering when possible. Do check with staff regarding this.

Thank you again for helping make this special ministry a part of your ministry.

May God richly bless you all as you bring inspiration and comfort to our nursing home residents.
